

**NSC HOW IT CONSULTS WITH RESIDENTS AND ORGANISATIONS
REPRESENTING RESIDENTS: 23.11.21 16:30**

Online: Cllrs Sterndale, Mason, Bull and S.Sherborne

Apologies: Cllrs Slatter

Q1. Do you have previous experience responding to 'general' North Somerset Council consultations? Yes

Q2. Is that as an individual or giving an official response on behalf of an organisation? Giving an official response on behalf of an organisation

Q2b Selected: Town Parish Council

Q2c Name of organisation: Portishead Town Council

Q3. When responding as a representative of an organisation, what would you like us to do ...more of, differently, less of ...in general consultations? This deliberately has a low word limit (about 150 words) to encourage you to put the main points succinctly so we can process the information we get back quickly and efficiently. Please don't say anything which might identify any individuals. Also please don't say anything which you would not want included in any publicly available report from this consultation:

There is far too much information to read, concise information preferred. Consultations should be spaced evenly throughout the year. Consultations are difficult to find on North Somerset Council's website. Feedback and evidence that comments have been noted.

Q4. How good or bad a job do you think North Somerset Council does in consulting local residents and organisations on general issues? Very good/Good/Acceptable/Bad/Very bad:

Acceptable.

Q5. If you would like to get the results of this consultation, as an emailed link, please provide your email address here. As your email address could be personal information, this is to say that the organisation collecting the information is North Somerset Council. It is only being collected for the purpose stated and won't be shared with any other organisation. It will be deleted by 15 March 2022 or sooner if you let us know by emailing dave.ostry2@n-somerset.gov.uk. You can see more information about our privacy policy:
