**DECISION FORM** - to be completed by the grants working party to support the Community Matters Committee review of the application and decision on grant award.

**Name of group / organisation**

Great Western Air Ambulance Charity

**Name/ title of project/ activity/ event**

GWAAC Mission Maker

**PURPOSE - Why is this group/ organisation applying for funding**

To support the operating costs of the Great Western Air Ambulance service in coming to the rescue and assistance of Portishead residents.

**BENEFIT - How will the people and communities of Portishead benefit**

This is a high-profile service that has been operating successfully for several years and received a grant of £1,000 from PTC last year. It provides a direct benefit to the residents of Portishead with 39 missions to Portishead last year. The average mission cost being £2,000 the total cost of Portishead rescue missions was £78,000. A grant of £2,000 towards those operations and the coverage of Portishead is clearly commensurate with the benefit to the Portishead area and residents. Furthermore, the Covid situation and its detrimental impact on the group to raise charitable funds also justifies the increase in the level of grant, to support and preserve this important service.
